

**ADDENDUM NUMBER ONE
TO THE REQUEST FOR QUALIFICATIONS FOR
GRAND JUNCTION REGIONAL AIRPORT
PROFESSIONAL AIRPORT ARCHITECT/ENGINEERING (A/E) SERVICES**

This Addendum, dated March 27, 2017 to the “REQUEST FOR QUALIFICATIONS: PROFESSIONAL AIRPORT ARCHITECT/ENGINEERING (A/E) SERVICES, GRAND JUNCTION REGIONAL AIRPORT.” supersedes all contrary and conflicting information on the above-mentioned RFQ, which is hereby supplemented and/or revised in certain particulars in the following:

QUESTION

Grand Junction Regional Airport provides the following answer for a question received:

1. *Question: “What type of construction management delivery method is anticipated?”*

Answer: Project construction delivery will be performed by a combination of airport staff and outside A/E firm resources. During individual project scoping the best delivery method, and use of in-house and outside resources will be determined to most efficiently and cost effectively accomplish projects on a case by case basis.

2. *Question: “Is the GJ airport interested in receiving submittals from Commissioning Providers?”*

Answer: Commissioning providers may provide proposals for this Request for Qualifications. The approach, experience, and other criteria of the RFQ will be used as the basis of evaluation criteria for selection.
