Dear Commissioner McInnis, Mr. Caton, and Mr. Benton:

Please find the following electronic CARES Act Grant Offer, Grant No. 3-08-0027-064-2020 for the Grand Junction Regional Airport. This letter outlines expectations for success. Please read and follow the instructions carefully.

To properly enter into this agreement, you must do the following:

a. The governing body must provide authority to execute the grant to the individual signing the grant; i.e. the sponsor’s authorized representative.

b. The sponsor’s authorized representative must execute the grant, followed by the attorney’s certification, no later than May 29, 2020, in order for the grant to be valid.

c. You may not make any modification to the text, terms or conditions of the grant offer.

d. The grant offer must be digitally signed by the sponsor’s legal signatory authority and then the grant offer will be routed via email to the sponsor’s attorney. Once the attorney has digitally attested to the grant, an email with the executed grant will be sent to all parties.

Subject to the requirements in 2 CFR §200.305, each payment request for reimbursement under this grant must be made electronically via the Delphi eInvoicing System. Please see the attached
Grant Agreement for more information regarding the use of this System. The terms and conditions of this agreement require you drawdown and expend these funds within four years.

An airport sponsor may use these funds for any purpose for which airport revenues may be lawfully used. CARES grant recipients should follow the FAA’s Policy and Procedures Concerning the Use of Airport Revenues (“Revenue Use Policy”), 64 Federal Register 7696 (64 FR 7696), as amended by 78 Federal Register 55330 (78 FR 55330). The Revenue Use Policy defines permitted uses of airport revenue. In addition to the detailed guidance in the Revenue Use Policy, the CARES Act states the funds may not be used for any purpose not related to the airport.

With each payment request you are required to upload directly to Delphi:
- An invoice summary, even if you only paid a single invoice and
- The documentation in support of each invoice covered in the payment request.

For the final payment request, in addition to the requirement listed above for all payment requests, you are required to upload directly to Delphi:
- A final financial report summarizing all of the costs incurred and reimbursed, and
- An SF-425, and
- A narrative report.

The narrative report will summarize the expenses covered by the CARES Act funds and state that all expenses were in accordance with the FAA’s Policy and Procedures Concerning the Use of Airport Revenues and incurred after January 20, 2020.

As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR part 200. Subpart F requires non-Federal entities that expend $750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

Once you have drawn down all funds and uploaded the required documents to Delphi, notify Kristin Brownson by email (Kristin.Brownson@faa.gov) that the grant is administratively and financially closed. We are readily available to assist you and your designated representative with the requirements stated herein. If you have additional questions, please contact Kristin at (303) 342-1279. We sincerely value your cooperation in these efforts.

FROM: The United States of America (acting through the Federal Aviation Administration, herein called the “FAA”)

WHEREAS, the Sponsor has submitted to the FAA a Coronavirus Aid, Relief, and Economic Security Act (CARES Act or “the Act”) Airports Grants Application (herein called the “Grant”) dated April 24, 2020, for a grant of Federal funds at or associated with the Grand Junction Regional Airport, which is included as part of this Grant Agreement; and

WHEREAS, the Sponsor has accepted the terms of FAA’s Grant offer;

WHEREAS, in consideration of the promises, representations and assurances provided by the Sponsor, the FAA has approved the Grant Application for the Grand Junction Regional Airport (herein called the “Grant”) consisting of the following:

This Grant is provided in accordance with the CARES Act, as described below, to provide eligible Sponsors with funding to help offset a decline in revenues arising from diminished airport operations and activities as a result of the COVID-19 Public Health Emergency. CARES Act Airport Grants amounts to specific airports are derived by legislative formula.

The purpose of this Grant is to maintain safe and efficient airport operations. Funds provided under this Grant Agreement must only be used for purposes directly related to the airport. Such purposes can include the reimbursement of an airport’s operational and maintenance expenses or debt service payments. CARES Act Airport Grants may be used to reimburse airport operational and maintenance expenses directly related to Grand Junction Regional Airport incurred no earlier than January 20, 2020. CARES Act Airport Grants also may be used to reimburse a Sponsor’s payment of debt service where such payments occur on or after April 14, 2020. Funds provided under the Grant will be governed by the
same principles that govern “airport revenue.” New airport development projects may not be funded with this Grant, unless and until the Grant Agreement is amended or superseded by a subsequent agreement that addresses and authorizes the use of funds for the airport development project.

NOW THEREFORE, in accordance with the applicable provisions of the CARES Act, Public Law Number 116-136, the representations contained in the Grant Application, and in consideration of, (a) the Sponsor’s acceptance of this Offer; and, (b) the benefits to accrue to the United States and the public from the accomplishment of the Grant and in compliance with the conditions as herein provided,

connection with this application; and to provide such additional information as may be required.

3. **Good Title.**

   It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.

4. **Preserving Rights and Powers.**

   a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this Grant Agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish, or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

   b. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with this Grant Agreement.

   c. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations, and the terms and conditions of this Grant Agreement.

In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a Grant or relating to the Grant in connection with which this Grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

6. **Exclusive Rights.**

   The sponsor shall not grant an exclusive right to use an air navigation facility on which this Grant has been expended. However, providing services at an airport by only one fixed-based operator is not an exclusive right if—
a. it is unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide the services; and

b. allowing more than one fixed-based operator to provide the services requires a reduction in space leased under an agreement existing on September 3, 1982, between the operator and the airport.

7. Airport Revenues.

This Grant shall be available for any purpose for which airport revenues may lawfully be used. CARES Act Grant funds provided under this Grant Agreement will only be expended for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport(s) subject to this agreement and all applicable addendums.

b. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
   1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
   2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this Grant.

a. Using the definitions of activity, facility, and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR Part 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by or pursuant to these assurances.

b. Applicability
   1. Programs and Activities. If the sponsor has received a grant (or other Federal assistance) for any of the sponsor’s program or activities, these requirements extend to all of the sponsor’s programs and activities.

   2. Facilities. Where it receives a grant or other Federal financial assistance to construct, expand, renovate, remodel, alter, or acquire a facility, or part of a
facility, the assurance extends to the entire facility and facilities operated in connection therewith.

3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of, real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

c. Duration.
The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
2. So long as the sponsor retains ownership or possession of the property.

Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests for Proposals for work, or material under this Grant and in all proposals for agreements, including airport concessions, regardless of funding source:

“The (Name of Sponsor), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.

2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.

3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.

4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a
covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:

a. For the subsequent transfer of real property acquired or improved under the applicable activity, grant, or program; and

b. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, grant, or program.

e. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.

f. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

It will not allow funds provided under this Grant to be used to fund any activity that uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

11. Acquisition Thresholds.

The FAA deems equipment to mean tangible personal property having a useful life greater than one year and a per-unit acquisition cost equal to or greater than $5,000. Procurements by micro-purchase means the acquisition of goods or services for which the aggregate dollar amount does not exceed $10,000. Procurement by small purchase procedures means those relatively simple and informal procurement methods for securing goods or services that do not exceed the $250,000 threshold for simplified acquisitions.

### Agenda Item Summary

**TOPIC:** 2020 Financial Forecast  

**PURPOSE:** Information ☒ Guidance ☐ Decision ☐  

**RECOMMENDATION:** N/A  

**SUMMARY:** The attached 2020 financial forecast reflects our assumptions for activity levels and operating revenues and as a result of the COVID-19 pandemic, and our planned expense reductions. Industry projections from Boeing anticipate that it will take 3 years to recover to 2019 passenger levels. Based on this information, we developed a 3-year recovery forecast based on 2019 activity. This forecast also informed our strategy for spending the CARES Act Grant award of $5.68M.

When developing the forecast and planned spending of CARES Act funds, we focused on a couple objectives:

1. Maintain financial health over the recovery period (operating income, cash balances, debt service ratio, etc.)
2. Consider the impact to airline costs per enplanement and rates and charges according to the new rate formula

Based on these objectives, we plan to draw down the CARES Act funds over a 3-year period, with larger draw downs in 2020 and 2021. The planned 2020 draw downs will result in an estimated decrease in cash that is consistent with our original budget and will maintain the originally estimated airline rates and charges.

Key Assumptions for 2020 Forecast

Operating Activities
- Based on industry estimates from Boeing, we anticipate that it will take 3 years to recover to 2019 passenger levels. We are therefore using 2019 as our "base year" for activity assumptions and are predicting passenger numbers and landings as a percentage of 2019.

- Assume Cargo Operations will come in at 90% of the 2020 budgeted expectations. So far we have not seen decreases in cargo activity.

- Operating Expenses reflect a 12% reduction, primarily driven by an estimated decrease in supplies and fuel purchases ($190k), a hiring freeze on open positions ($140k) and other expense reductions in response to shorter hours of operation and fewer passengers.

- As a result of the COVID19 crisis, we offered a temporary suspension of the customer facility charges collected by the rental car companies and that suspension from April to September is reflected in the forecast assumptions.

Capital Projects
- AIP project estimates are based on the bid prices for the apron and run-up pad, and we have adjusted the grant revenue to reflect 100% funding of these projects by the FAA.

- Non-AIP projects to be funded by Airport cash reserves have been reduced by approximately $500k which represents deferring non-urgent capital projects to be completed in future years. (e.g. wayfinding sign refurbishment, fog seal landside roads, etc.)

CARES Act
- Based on the anticipated recovery period, we are planning to draw down CARES Act funds over the 3-year recovery period. We plan to draw down more funds in 2020 and 2021 when passenger traffic will be lower. The planned draw down of $2.1M in 2020 will cover all 2020 debt service payments, and half of the terminal and airfield staff compensation and benefits in 2020. Planned future draw downs for 2021 include 100% of scheduled debt service payments and half of the terminal and airfield staff compensation, and 2022 represents the remaining amount available that will cover 98% of scheduled debt service of $1.5M.
